

CTBSS

Term Tech Stainless Steel Cable Tie Base M5 Fixing Screw 7.8mm Max TieØ (Bag of 100)

The Termination Technology stainless cable tie bases is an equivalent style to our CTBV nylon cable tie mounts. Manufactured in stainless steel, they are 18th edition compliant as they are a complete metal fixing. Two stand off wings protrude from the base allowing for a cable tie installation parallel to the wall. Manufactured from 316 grade stainless steel and supplied in trade counter packs of 100.
