Term Tech Heatshrink Joint Kit 300mm Length 6-10mm² 4C

The Termination technology range of Heatshrink Joint kits are an alternative method of joining cables utilizing adhesive lined Heatshrink to provide an IP68 seal. An ideal solution where protection against ingress is more important than mechanical protection. Thin wall adhesive lined Heatshrink to cover each core and medium walled adhesive lined Heatshrink to cover the overall join, supplied with crimp connectors to make the core connections. Available in larger sizes and can be made to order for larger armoured cables or with mechanical connectors for copper to aluminium joins.

Technical Data

Colour and Material

Colour	Black

Application Type, Size and Range

Cable Size Range (mm²)	6 - 10 (Up to 4 cores)
IP Rating	IP68

Dimensions

Product Length (mm)	300

Kit Details

Kit Contents	Core Heatshrink, Overall Heatshrink, Connectors, Earth Kit

Physical Attributes

Adhesive Lined	Yes
