

LT20-10MTR

Term Tech Liquid Tight Conduit PVC Coated Steel IP68 Black M20 (10m Coil)

The Termination Technology range of Liquid Tight Conduit and Glands offers an increased ingress protection over our standard PVC coated Galv conduit. Suitable for use in outdoor areas and in environments subject to water spray and jets. IP68 rating only applicable when fitted correctly with the liquid tight glands. Available in a range of lengths and sizes.

Technical Data

Colour and Material

Material	Galvanised Steel
Coating Colour	Black
Coating Material	PVC

Application Type, Size and Range

IP Rating	IP68 when installed with liquid tight glands
