

LT20-30MTR

Term Tech Liquid Tight Conduit PVC Coated Steel IP68 Black M20 (30m Coil)

The Termination Technology range of Liquid Tight Conduit and Glands offers an increased ingress protection over our standard PVC coated Galv conduit. Suitable for use in outdoor areas and in environments subject to water spray and jets. IP68 rating only applicable when fitted correctly with the liquid tight glands. Available in a range of lengths and sizes.
