

## M50MXM20F

### Term Tech Thread Reducer Brass ATEX EEXDE Flameproof M50 Male to M20 Female

The Termination Technology range of thread adaptors and reducers are ideal for when various threads are encountered due to the country of origin of different machines. Available in ranges of Metric to Metric, PG to Metric, NPT to Metric and more in Brass ATEX rated and Nylon versions.

## Technical Data

### Colour and Material

Material	Brass
Plating Material	Non-plated

### Application Type, Size and Range

Environmental Application	Hazardous environments
---------------------------	------------------------

### Dimensions

Female Thread Size (mm)	20
-------------------------	----

### Physical Attributes

Threaded	Yes
----------	-----

### Product Specification

Specification	EExde ATEX approved
---------------	---------------------
