

## PREM25CPL

### Premflex® Threaded Metal Coupler 25mm

Our new range Premflex® metal couplers are suitable for use with across our full range of Premflex® flexible conduit. Threaded on both ends to form a strong connection between multiple lengths, or fittings. Manufactured for use in commercial, industrial and utility applications whether exposed, encased or underground. High quality to help protect the integrity of the conduit, protecting and increasing the life of the cables and wires within.
