

PS-MARKERKIT

**Term Tech Complete PS Push-Fit Cable Marker
Kit 1.0mm²-6mm² Black on White
PS06/PS09/PS12 sizes**

The Termination Technology PS marker kit is an amalgamation of all of our push fit markers to offer a complete kit suitable to cover the whole range. Each size and mark is supplied on a colour coded applicator want for easy installation and identification. The markers are designed to provide an easy method of conveniently marking terminated cables, even in difficult to reach places. Each marker has small chevrons on each side, this helps the markers to sit correctly and maintains a readable orientation.
