

RHG20-RED

Term Tech PVC MICC Shrouds 20mm Red (Pack of 100)

The Termination Technology range of MICC accessories include pots & seals, glands and shrouds to cover light duty and heavy duty applications. Alongside our metal fixing clips we offer everything you would need for the installation of mineral insulated cables. A range of MICC tooling is also available from stock including crimpers, potting tools, stripping tools and more.
