

## TCC10

### Term Tech Polypropylene Cleat Two Part Two Bolt Fixing 57mm-63.5mmØ Range M10 Bolt Holes Black

The Termination Technology range of nylon two bolt fixing nylon are a heavy duty method of fixing larger armoured cables where single bolt fixing would not be strong enough. Wrap the two halves around the cable and tighten the bolts to provide a tight and secure grip. Available in a full range to cover 41mm-105mmØ range, single bolt fixing cleats available for cables smaller than 41mmØ.
