

## UMT-TRACE

**Term Tech Metal Detectable Underground  
Warning Tape Black Text on Yellow  
Background "CAUTION ELECTRIC CABLE  
BELOW" 150mm x 100m**

The Termination Technology range of warning tapes are suitable across a range of applications. Red and white barrier tape is suitable for marking off installation areas for safety and underground warning tape is suitable for laying over underground cable installations to prevent accidental damage. Solid cable warning tiles are also available for increased protection of underground cables.
